

Accessibility Building Code Certificate

Designer: Jocelyn Boothe / WBRC Architects Engineers

Address of Project: 121 Center Street Portland ME 04101

Nature of Project: The Work involves the partial demolition (< 50%), expansion
and renovation of the Asylum event space with infill at the
parking lot immediately adjacent to the current facility.

The technical submissions covering the proposed construction work as described above have been designed in compliance with applicable referenced standards found in the Maine Human Rights Law and Federal Americans with Disability Act. Residential Buildings with 4 units or more must conform to the Federal Fair Housing Accessibility Standards. Please provide proof of compliance if applicable.
