Electronic Signature and Fee Payment Confirmation

Notice: Your electronic signature is considered a legal signature per state law.

By digitally signing the attached document(s), you are signifying your understanding this is a legal document and your electronic signature is considered a *legal signature* per Maine state law. You are also signifying your intent on paying your fees by the opportunities below.

I, the undersigned, intend and acknowledge that no permit application can be reviewed until payment of appropriate permit fees are *paid in full* to the Inspections Office, City of Portland Maine by method

noted below:		
	Within 24-48 hours, once my complete p paperwork has been electronically delivered, I is 207-874-8703 and speak to an administrative recard over the phone.	intend to call the Inspections Office at
	Within 24-48 hours, once my permit applicat been electronically delivered, I intend to har Inspections Office, Room 315, Portland City Ha	nd deliver a payment method to the
✓	I intend to deliver a payment method through the U.S. Postal Service mail once my permit paperwork has been electronically delivered.	
Applicant Sig	nature:	Date: 11/25/13
I have provide	ed digital copies and sent them on:	Date: 11/26/13

NOTE: All electronic paperwork must be delivered to <u>buildinginspections@portlandmaine.gov</u> or by physical means ie; a thumb drive or CD to the office.

Commercial Interior & Change of Use Permit Application Checklist

All of the following information is required and must be submitted. Checking off each item as you prepare your application package will ensure your package is complete and will help to expedite the permitting process.

One (1) complete set of construction drawings must include:

	Note: Construction documents for costs in excess of \$50,000.00 must be prepared by a Design professional and bear their seal.
	Cross sections w/framing details Detail of any new walls or permanent partitions Floor plans and elevations Window and door schedules Complete electrical and plumbing layout. Mechanical drawings for any specialized equipment such as furnaces, chimneys, gas equipment, HVAC equipment or other types of work that may require special review Insulation R-factors of walls, ceilings, floors & U-factors of windows as per the IEEC 2009 Proof of ownership is required if it is inconsistent with the assessors records. Reduced plans or electronic files in PDF format are required if originals are larger than 11" x 17". Per State Fire Marshall, all new bathrooms must be ADA compliant.
Se	parate permits are required for internal and external plumbing, HVAC & electrical installations.
	additions less than 500 sq. ft. or that does not affect parking or traffic, a site plan mption should be filed including:
	The shape and dimension of the lot, footprint of the existing and proposed structure and the distance from the actual property lines. Location and dimensions of parking areas and driveways, street spaces and building frontage. Dimensional floor plan of existing space and dimensional floor plan of proposed space.
	Minor Site Plan Review is required for any change of use between 5,000 and 10,000 sq. ft. cumulatively within a 3-year period)

Fire Department requirements.

The	following shall be submitted on a separate sheet:
	Name, address and phone number of applicant and the project architect. Proposed use of structure (NFPA and IBC classification) Square footage of proposed structure (total and per story) Existing and proposed fire protection of structure.
\checkmark	Separate plans shall be submitted for
	a) Suppression systemb) Detection System (separate permit is required)
\checkmark	A separate Life Safety Plan must include:
	a) Fire resistance ratings of all means of egress
	b) Travel distance from most remote point to exit discharge
	c) Location of any required fire extinguishers
	d) Location of emergency lighting
	e) Location of exit signs
	f) NFPA 101 code summary
	Elevators shall be sized to fit an 80" x 24" stretcher.
	" D' D

For questions on Fire Department requirements call the Fire Prevention Officer at (207) 874-8405.

Please submit all of the information outlined in this application checklist. If the application is incomplete, the application may be refused.

In order to be sure the City fully understands the full scope of the project, the Planning and Development Department may request additional information prior to the issuance of a permit. For further information or to download copies of this form and other applications visit the Inspections Division on-line at www.portlandmaine.gov, or stop by the Inspections Division office, room 315 City Hall or call 874-8703.

Permit Fee: \$30.00 for the first \$1000.00 construction cost, \$10.00 per additional \$1000.00 cost

This is not a Permit; you may not commence any work until the Permit is issued.
