LIABILITY LIMITS:

\$400,000 per occurrence combined single limit of liability for causes of action seeking tort damages pursuant to the provisions of the Maine Tort Claims Act (14 M.R.S.A. 8101, et seq.). Coverage is limited to those areas for which governmental immunity has been expressly waived by 14 M.R.S.A. 8104-A, as limited by 14 M.R.S.A. 8104-B, and 14 M.R.S.A. 8111. Coverage amounts for causes of action seeking tort damages pursuant to the provisions of the Maine Tort Claims Act are limited to those specified in 14

M.R.S.A. 8105 and 8104-D. Liability coverage shall not be deemed a waiver of any immunities or limitation of damages available under the Maine Tort Claims Act, other Maine statutory law, *judicial* precedent, or common law. This coverage limitation for causes of action seeking tort damages pursuant to the provisions of the Maine Tort Claims Act shall serve as the written statement required pursuant to 14 M.R.S.A. 8116.

\$1,000,000 per occurrence combined single limit of liability for all causes of action seeking tort damages pursuant to federal law or state law for which immunity or limitation of damages is not provided by the provisions of the Maine Tort Claims Act (14 M.R.S.A. 8101, et seq.).

The total limit of liability for any one occurrence is \$1,000,000, regardless of the number or types of claims made or number of persons or organizations making such claims, subject to the restrictions of the preceding two paragraphs. The applicability of more than one line of coverage per occurrence shall NOT increase the total limit of liability. The total limit of liability for all occurrences resulting in claims first made against the Member during the period of coverage shall NOT exceed \$1,000,000 annually in the aggregate.

The total limit of liability for all occurrences resulting in claims first made against the Member during the period of coverage shall NOT exceed \$1,500,000 annually in the aggregate under this coverage section and Coverage Section III, collectively (see "Explanation" following this coverage section).

EXPLANATION: This explanation pertains to Coverage Parts III and V. The \$1,500,000 aggregate limit for all occurrences resulting in claims made against the member applies collectively to both coverage parts, such that the total aggregate coverage provided under both coverage parts shall not exceed \$1,500,000 for any loss year. This pertains to claims presented on an "occurrence" basis under Section III and on a "claims made" basis under Section V. Example: In 2010, County ABC has claims presented against it under Coverage Part V, which result in \$900,000 being paid on its behalf. In 2011, a claim is presented against County ABC under Coverage Part III for an occurrence which took place in 2010. There would only be \$600,000 of coverage available to County ABC for that claim.

Deductible: None

City of Portland:

Cumberland County Government is celebrating its 250th Anniversary this year. As such, we would like to place a banner, hung with wire or rope, from our ~~parking garage~~ ^{Courthouse}, facing ~~Newberry Street~~ ^{Pearl St.}. The banner would be about 20 feet above the street and would not have any additional lighting. We would like to place it on the building upon approval of its usage and completion of the banner construction.

Our actual "anniversary" is November 1, of this year, so we would like to have the banner flown from the time of permission (August 1?) until the first or mid part of November. At that time, it will be taken down permanently.

I have discussed this with Deb Andrews and she feels this can be accomplished as a temporary sign. I do not wish to put words in her mouth, but appreciate her input into this small project.

Thank you for your consideration of this signage.

July 1, 2010

City of Portland:

Cumberland County Government is celebrating its 250th Anniversary this year. As such, we would like to place a banner, hung with wire or rope, from our parking garage, facing Newberry Street. The banner would be about 20 feet above the street and would not have any additional lighting. We would like to place it on the building upon approval of its usage and completion of the banner construction.

Our actual "anniversary" is November 1, of this year, so we would like to have the banner flown from the time of permission (August 1?) until the first or mid part of November. At that time, it will be taken down permanently.

I have discussed this with Deb Andrews and she feels this can be accomplished as a temporary sign. I do not wish to put words in her mouth, but appreciate her input into this small project.

Thank you for your consideration of this signage.

Bill Whitten
