Subject: Fire Alarm System Review for Luminato Condos, Portland ME

I performed a review of the fire alarm system design drawings for the Luminato Condominium LLC at 169 Newbury St, Portland Maine. The submittal package included the floor plans, riser diagram, battery calculations, and cut sheets.

I found that the revision, dated January 17, 2017, of the fire alarm system design to be code compliant and adequately support the fire detection, alarm and notification requirements of this facility.
