Subject: Chip Newell /Luminato Condominium Proposal

Dear Caitlin,

I received a planning board notice in the main about the above proposal. Application ID# 2016-021 or CBL # 028 1009001. I live at 146 Newbury Street Unit B.

I strongly object to a 6 story building in this neighborhood. It is very out of place with the other structures, as you know most buildings are 2-3 stories and old tenement houses.

I appreciate the city government making affordable housing a priority but it needs to be in keeping with the character of the neighborhood.
