Hi Caitlin:

As a follow up to our recent meeting with Barbara, attached please find a formal request to amend our approved Site Plan to add landscaping on the land owned by the City at the end of Newbury Street. My letter to you references three revised plans, but there are in fact, four plans, that needed to be revised to reflect the proposed changes. These are plan sheets C1.2, C1.3, C1.4, and C1.6. These have all been, or will be soon, uploaded to E-Plan, but they are attached here as well. Please let me know if you have questions, or need any additional information in order to consider this request. Thank you for your time.

Best Regards,
