Dear Mr. Federle,

This letter will confirm that the following materials have been removed from the property located at 32 Hampshire St, Portland, Maine. The scope of work was for the removal and disposal of the window sash units that had Non-friable asbestos glazing on them. The collection and disposal of the refrigerators, the draining and removal of the oil tank and boiler unit and the removal of all paint cans from this property. All work was completed in accordance with the Maine DEP chapter 425 rules and regulations for asbestos removals and in accordance with the Maine DEP rules and regulations for the collection of the universal waste materials.

Thank you for selecting Abatement Professionals for this project. We look forward to working with you on future projects.

Sincerely,

Robert W. Rickett, Jr.  
President
