Hello Chris -

I have managed to secure three spots within 100 feet of the hostel! I am super excited.

I am attaching our agreement for your review. The agreement is with Storrey Industries who owns the building next to me on the Newbury Street side. (I have also secured an additional 4 spots at the Top of The old Port lot - which may well be overkill.)

If you find the agreement to be acceptable, I will have my builder commence work on the designs for the yard so we can get in the queue for a building permit.

Best,

Hi Heather,

This appears to meet all requirements. I will save these e-mails and the agreement in the records in case any question arises.

Best,
Chris
