Yes, that is correct. And the side walk sign is 2'x3' on each side.

Thank you.

Tom,
The attached, building wall signs are 28" x 96" each, totaling 18.6 SF each. Could you please confirm these dimensions and also provide me the dimensions for the sidewalk sign. As soon as I receive these, I can enter your sign permit application. Please e-mail this information to buildinginspections@portlandmaine.gov. Thanks!
Doreen
