

Accessibility Building Code Certificate

Designer: Ellen Kanner

Address of Project: 151 Middle Street, Portland, ME

Nature of Project: Cutting a 4 foot wide arched doorway in dividing wall along with two small arched windows. Building a office/storage space with walls that are approximately 27 feet by 8 feet by 9 feet high. Building a 13 foot by 12 foot platform area for seating as well.

The technical submissions covering the proposed construction work as described above have been designed in compliance with applicable referenced standards found in the Maine Human Rights Law and Federal Americans with Disability Act. Residential Buildings with 4 units or more must conform to the Federal Fair Housing Accessibility Standards. Please provide proof of compliance if applicable.
