Conditions:				
1) With the issuance of this permit and the completion of the work, this property shall remain a vacant lot. Any subsequent development shall require a separate permit application for review and approval. 2) Your present structure is legally nonconforming as to setbacks. If you are to demolish this structure on your own volition, you will only have one (1) year to replace it in the same footprint (no expansions), with the same height, and same use. Any changes to any of the above shall require that this structure meet the current zoning standards. The one (1) year starts at the time of removal. It shall be the owner's responsibility to contact the Code Enforcement Officer and notify them of that specific date. 3) Section 14-483 requires that a person who demolishes or converts to a nonresidential use, three or more dwelling units must apply for administrative authorization or site plan approval from the Planning Authority. The person is also required to replace any dwelling unit that is demolished or converted to nonresidential use.
