No need to present to the Historical Preservation committee. I have already sent a copy of the sign plan to the City as part of the overall historic preservation review and the city will only require a staff level review.

Jenny

I approve the signage as presented.

Has it been presented to Historical Committee for approval by them ?

Thanks

Ron Cedrone

No I am not in a position of authority to approve, but the other two gentlemen on this email chain represent the landlord.

Please send me a copy of the sing permit application once it is submitted.

Thanks

David
