Noah, the application has not been completed as required.

1. You need to present your individual PDFs and name them correctly (name them what the document is).
2. The signature from the city clerks office on the application is a requirement you need to get.

Also, please note the attached. Typically, we need to review the application and put it in the system before payment is made in case there are any issues that need to be resolved first.

Once we get the completed application, we can enter it. Thank you.

Check has been sent in advance.

Thank You
