Hi Laurie,

Thanks for the update! I just want to verify that the store address for the sign is 332 Fore Street (not 330). Please see a letter of permission from the property owner below, a sketch plan with building frontage, photos of the existing signage (there is none because the old one has been taken down) . The length and height of the building is 40ft. x 30ft. and the tenant frontage is 20ft. x 12ft.

Please let me know if you need anything else!

Said signage is to be installed according to city codes and at the tenant's expense. Please call me at 207-831-0735 if you need additional information or if I can be of further assistance.
