The **Chalkboard Sidewalk Sign Cherry Wood Frame** is one of the most popular changeable sidewalk signs that has been around for decades. Be as creative as you want and include drawings and text in a variety of chalk colors. It has two **15W x 33H** composite chalkboards attached back to back with a full-length piano hinge and stands **18W x 42H tall**.

The sign face material is a composite **chalkboard veneer** coated on eighth inch thick Masonite. The smooth chalkboard surface makes writing easy and cleaning streak free. The A-frame is fabricated from a North American red oak for long lasting outdoor durability and beautiful appearance. The wood frame has a satin polyurethane finish and folds together when not in use for **easy storage**. All corners are **reinforced with steel angle brackets** for long lasting durability. An outdoor zinc plated steel **locking bracket** is fastened between the panels to prevent accidental or intentional spreading of sign faces.

When not in use, the sidewalk chalkboard sign folds flat for **easy storage**. Four plastic shoes are attached to the legs for **protection from scratching** when moving or relocating. Does not include chalk or eraser.

Ships UPS Ground to the continental US and normally takes 2-4 business days to arrive. The freight cost is additional and typically adds 10% to the cost of the order plus \$5.00 boxing and handling fee. Shipping to AK and HI needs to be delivered by air freight and we will email you an invoice for the extra cost.

We are not set up for international shipments. We do not ship COD or bill to third parties.
