Dear Mr. Rogers and Mr. Williams,

On behalf of 130 LLC, the owner/manager of the 130 Middle Street property of which you are located, I would like to inform you of our approval of design for your exterior signage. The approval is based on the images depicted by Welch Signage of Scarborough that were transferred to us electronically.

You have our approval to seek final submission to the city for the exterior signage. Given that the building is located in the historic district, you will need approval from the Historic Preservation Board. We hope to hear back from you and the board soon as to their decision. We have found the signage to be in keeping with similar office buildings located throughout the city, including the historic district, and is clean and professional.

Again, I hope that you receive approval or hear back soon, as the weather will be upon us. Please have the board contact me directly if they need to directly hear from 130 LLC for approval. Unless there is deviation from the images given to us, you can go ahead with approvals and ordering of the signage.

Regards,

Ken Cianchette  
Property Manager ELC, managing agent for 130 LLC
