RE: 27 Pearl Street, Approval for Conditional Use in a PAD Overlay Zone

Dear Mr. Howe,

On June 23, 1998 the Portland Planning Board voted 5-0 (Krichels, Hagge absent) to grant conditional use within the PAD Overlay Zone for 27 Pearl Street. The approval is based on material submitted by the applicant and on the information contained in Planning Board Report #31-98.

If there are any questions, please contact the Planning Staff.

Sincerely,

John Carroll, Chair
Portland Planning Board

Alex & Alan,

You may have exactly what I was hoping you had. The property in question is called 27 Pearl St (CBL # 029-E-016). This is a new office for the Coast Guard on the first floor. Can we discuss this at the site plan review meeting tomorrow? I will plug you onto the list.

Thank you very much,

Marge

Subject: Re: Pearl St & Fore Street

Marge: We discussed this at staff meeting and Alan Holt is checking to see if there are any files documenting the prior approvals. According to the ordinance provisions, the conditional use approval would run with the tenant, and new tenants would need a new conditional use. Also, the Planning Authority is the approval authority for these PAD conditional uses, not the Planning Board or ZBA.

I'll let you know more when I find out.

Alex

Alex,

I need some clarification as to what was exempted from the PAD district several years ago when TGIF moved out and one of the office spaces above wanted to expand into that space. Was the whole building exempted from PAD or was it a limited exemption..

I have a current building permit application for which this information is important. Please forward that information to me asap.

Thanks,
Marge
