City of Portland and
The Historic Preservation Committee
Portland, Maine

Dear Sirs:

I have reviewed the attached signage plans for the building at 27 Pearl Street and give permission for Burns & McDonnell to attach the sign to building as indicated.

In the near future, we will be seeking additional signage on the building to the right of the Burns & McDonnell signage for an additional tenant, so please be advised.

I can be reached at the above number if necessary. Thank you for your assistance.

Sincerely,

Ken Cianchette
Property Manager
