Re: Hilton Garden Inn sign

Dear **Mr. Brady**:

On June 16,2004, the City of Portland's Historic Preservation Committee voted 5-0 (Parker, Sewall absent) to approve your application for a Certificate of Appropriateness for the installation of a projecting sign at the Hilton Garden Inn,located at 65 Commercial Street.

As you will recall, two alternative sign proposals were presented for consideration. Approval is for the triple-faced cabinet sign, which is to be hung off the southeast corner of the hotel, at the intersection of Franklin and Commercial Streets.

The approval is subject to the following conditions:

- The overall height of the sign shall not exceed the height of five (5) titanium courses. The width of the sides shall be reduced as well, to be proportionate to the reduced height.
- The sign shall be mounted such that the bottom of the sign is 1/2 course of titanium above the brick building base.
- The sign face shall have a brushed aluminum finish to match that of the sign at the Commercial Street entrance.
- Final scaled drawings to be submitted for staff review.

All improvements shall be carried out as shown on the plans and specifications submitted for the 6/16/04 public hearing and/or as described above. Changes to the approved plans and specifications and any additional work that may be undertaken must be reviewed and approved by this office prior to construction, alteration, or demolition. If, during the course of completing the approved work, conditions are encountered which prevent completing the approved work, or which require additional or alternative work, you must apply for and receive a Certificate of Appropriateness or Non-Applicability PRIOR to undertaking additional or alternative work.

This Certificate is granted upon condition that the work authorized herein is commenced within twelve (12) months after the date of issuance. If the work authorized by this Certificate is not commenced within

twelve (12) months after the date of issuance or if such work is suspended in significant part for a period of one year after the time the work is commenced, such Certificate shall expire and be of no further effect; provided that, for cause, one or more extensions of time for periods not exceeding ninety (90) days each may be allowed in writing by the Department.

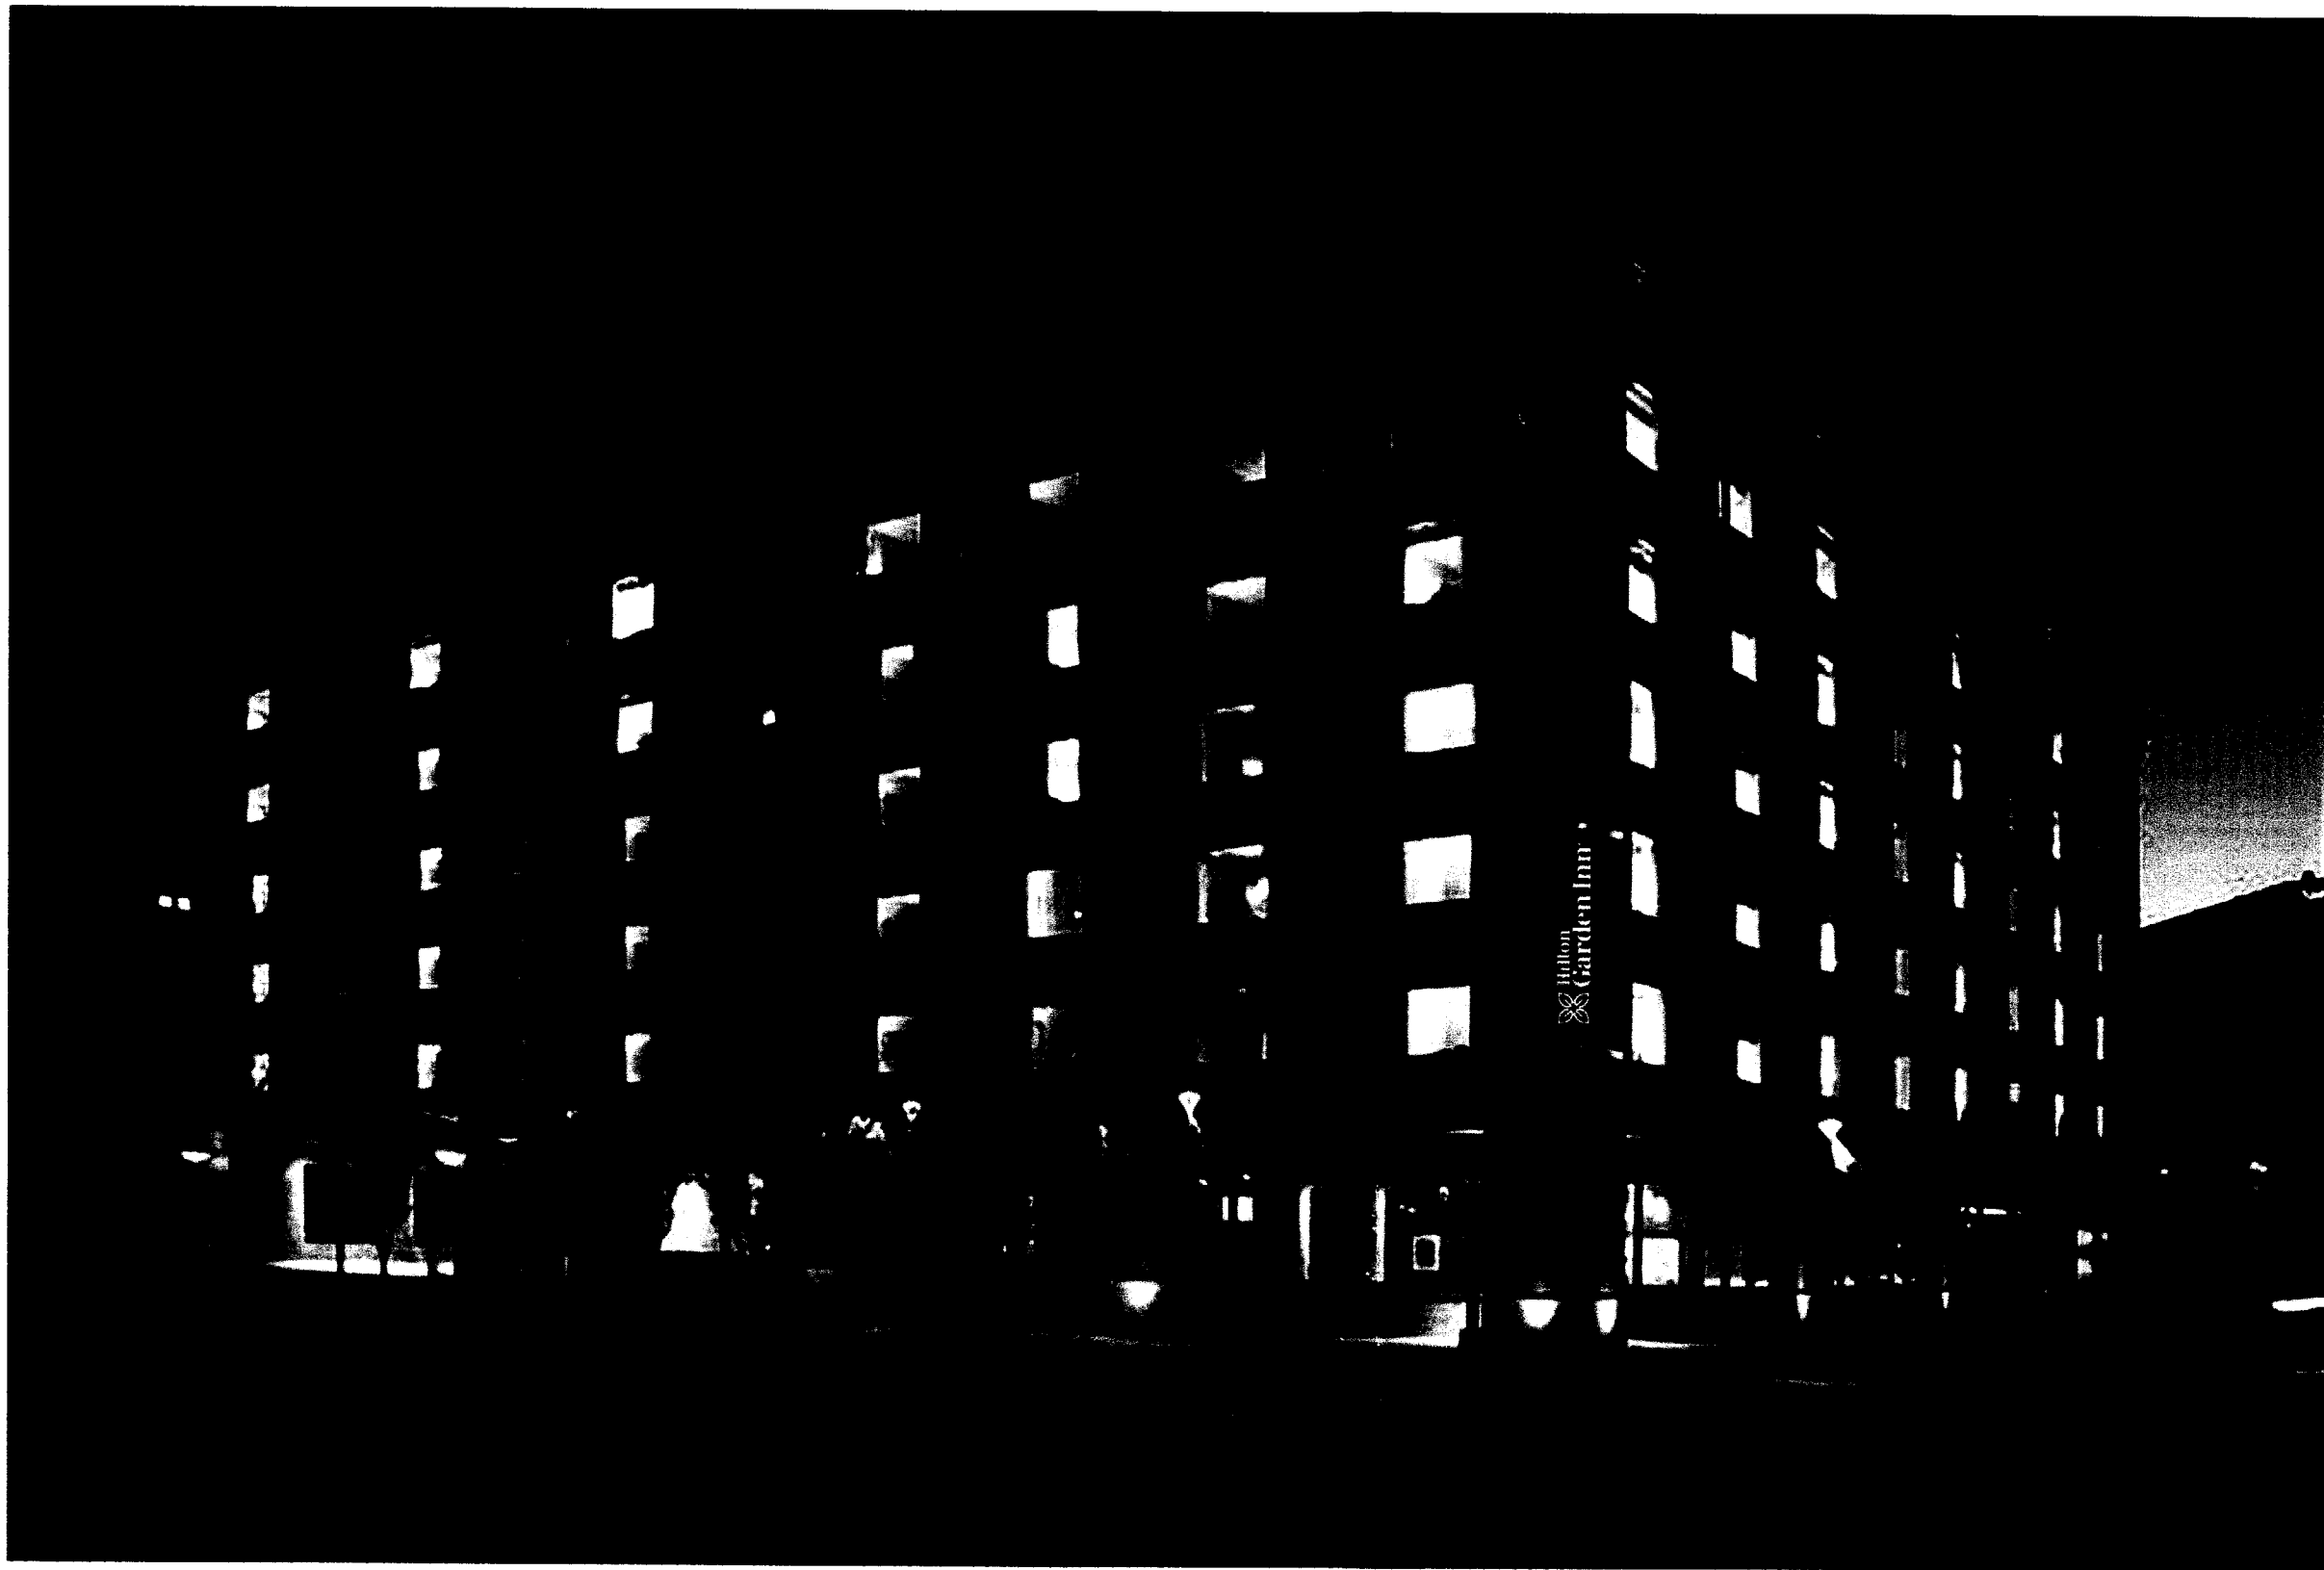

Sincerely,

A handwritten signature in black ink that reads "Deborah Andrews". The signature is written in a cursive style with a large, stylized initial "D".
