

Accessibility Building Code Certificate

Designer: John Charette, AIA

Address of Project: 300 Fore Street

Nature of Project: Existing building renovations, furniture replacement and
adding 3 new rooms on the 4th floor.

The technical submissions covering the proposed construction work as described above have been designed in compliance with applicable referenced standards found in the Maine Human Rights Law and Federal Americans with Disability Act. Residential Buildings with 4 units or more must conform to the Federal Fair Housing Accessibility Standards. Please provide proof of compliance if applicable.
