Good Afternoon,

Please find attached building permit application to amend the currently issued BP #2016-02566 for the ongoing renovations at CIEE located at 300 Fore Street. This permit application includes the addition of replacing toilet room finishes and fixtures in like kind and converting a conference room on the 5<sup>th</sup> floor to a mother's room to BP #2016-02566.

Jeanie,

I believe you and Jared have spoken about this amendment so if you have any additional questions, please let us know.

Thank you,

**Eric Clifford**
