Hello Jean,

Thanks very much for the "heads up." We are, in fact, discussing an extension request with the new owners, and we will be in touch with you in the near future.

Best regards,
Greg

I understand that the site was sold and that before that you requested a one year extension of the site plan approval to Aug 14, 2014 (letter attached).

I do not know who the new owner is, but perhaps you could let them know that under the City of Portland ordinance they could apply for a further one year extension to the site plan approval (ie to Aug 14, 2015) but they need to request it several days at least before the Aug 14, 2014 expiration date.

If they write, please suggest they send the request letter to Alex Jaegerman, Planning Director and copy it to me (it can be sent by pdf). It needs to include the reason for the request.

thank you
Jean
