I live across the street from this property. Many office workers and cruise visitors use this green space for lunchtime eating and relaxation, and numerous dog owners enjoy the area for exercise. Having lived in many urban environments all over the world I greatly appreciate the need for "natural" spaces and would strongly urge the Planning Board to insist that the proposed development plan incorporate some retention of the existing green space for public use. The East End is rapidly becoming a wall-to-wall hotel and condominium desert with no open areas left for the general public. Thank you.
