6. **ADDITIONAL RENT:** In addition to the Base rent, as Additional Rent, Tenant shall also pay its prorata share of all costs and expense of every kind and nature associated with the management, operation and repair of the Building, parking areas (including the lot across the street from the Building known as the "Hampshire Street Lot") including, but not limited to, real estate taxes, insurance, management, landscaping, snow removal, security, etc. Tenant's prorata share shall be 7.96%.

For purposes of this provision the following terms shall be defined as follows:

"CAM Expenses" means Landlord's expenses of operating, managing, repairing and maintaining the Building and Hampshire Street Lot, including the common areas, exterior and roof, taxes, insurance and management fees. CAM Expenses include, without limitation, fuel for heat and electricity for air conditioning, landscaping, snow removal, common area trash removal and pest control services, security, common area utilities, and repairs, maintenance, inspections and servicing of the HVAC system and building alarm

systems; common interior and exterior building repairs and maintenance; etc. as undertaken by Landlord.

Tenant shall have no obligation to pay any portion of Landlord's income taxes arising from rentals received on account of this Lease. Tenant shall be responsible for payment of all personal property taxes payable on account of its ownership or operation of equipment, furniture and other personal property.

"Insurance" means any insurance maintained by Landlord with respect to the Building including its common areas, including all hazard, liability, business interruption, terrorism and loss of rentals insurance. Maintenance of such coverages, and in what amounts and on what terms are all within the sole discretion of Landlord.

Tenant shall pay an estimated amount each month on the first of the month to Landlord for its Proportionate Share of the expenses set forth in this Section. After the end of each calendar year, Landlord shall provide to Tenant an accounting of such actual expenses for the previous calendar year and Tenant shall pay within 30 days of receipt of such reconciliation to Landlord, as Additional Rent, any amounts due based on the difference between its share of actual expenses and the total of its estimated payments. If a credit is due to Tenant for such difference, Landlord shall within 30 days, pay such difference to Tenant or at its discretion, may apply such credit against the estimated payments due for the then current year. Amounts for any partial calendar year under the Lease will be prorated based on the duration of that calendar year at the beginning and end of the Lease term. Along with such annual reconciliation, Tenant's estimated monthly payment of Additional Rent shall be adjusted to reflect Landlord's actual pro rata share of the actual expenses for the previous year and Landlord's cost projections for the upcoming year, which estimated monthly amount shall then be due on the first of each month from Tenant as Additional Rent until the following annual reconciliation is completed. Tenant's current monthly estimated amount due for CAM is \$427.00/ month and for Taxes is \$213.00/ month.

7. **SECURITY DEPOSIT:** Upon the execution of this lease, the Tenant shall pay to the Landlord the amount of **\$1,814.00** as security for the Tenant's performance as herein provided and refunded to the Tenant without interest at the end of this lease subject to the Tenant's satisfactory compliance with the conditions hereof.
8. **UTILITIES:** Tenant shall pay for all utilities servicing the Premises directly including but not limited to water and sewer, electricity, gas, oil, cable, and telephone, either by separate meter; sub-meter; or its pro-rata share. Tenant shall immediately place all separately metered utility accounts in to its name directly. The Tenant shall reimburse Landlord for the costs of sub-metered or pro-rata share utilities within 30 days of Landlord's invoice therefore as Additional Rent.

The heat and air conditioning for the Premises are currently part of a main building system. The Landlord may, in its sole discretion, elect to install a separate heating and/or air conditioning system to service the Premises exclusively. In that event, the Tenant shall immediately place the utility accounts for said service in to its name directly and the Tenant agrees that it will have the air-conditioning and heating systems thoroughly inspected and serviced at least twice in each calendar year -- once during the spring season and once during the fall season of each year -- and furnish certificates of the same to Landlord after each such inspection, plus pay for such service calls including the cost of parts and labor, related to the maintenance of said system.

Tenant is responsible for cleaning services to its leased premises, including proper disposal of trash off the property.

Landlord shall not be responsible for any disruption of utilities.

Landlord shall have no obligation to provide utilities or equipment other than the utilities and equipment within the Premises as of the commencement date of this lease. In the event Tenant requires additional utilities or equipment, the installation and maintenance thereof shall be the Tenant's sole obligation, provided that such installation shall be subject to the written consent of the Landlord.

9. **USE OF LEASED PREMISES:** The Tenant shall use the leased premises as an oyster bar and for no other purpose the prior written consent of the Landlord.
10. **COMPLIANCE WITH LAWS:** The Tenant agrees to conform to the following provisions during the entire term of this lease: (i) Tenant shall not injure or deface the leased premises or building; (ii) No auction sale, inflammable fluids, chemicals, nuisance, objectionable noise or odor shall be permitted on the leased premises; (iii) Tenant shall not permit the use of the leased premises for any purpose other than set forth herein or any use thereof which is improper, offensive, contrary to law or ordinance, or liable to invalidate or increase the premiums for any insurance on the building or its contents or liable to render necessary any alterations or additions to the building; and (iv) Tenant shall not obstruct in any manner any portion of the building not hereby demised or the sidewalks or approaches to said building or any inside or outside windows or doors; and (v) Tenant shall comply with all federal, state and local laws, ordinances and regulations pertaining to its use of the Premises, including but not limited to those of the local Board of Health and all Federal, State and local environmental laws and regulations. Tenant shall observe and comply with all reasonable rules and security regulations now or hereafter made by Landlord for the care and use of the leased premises, the building, its facilities and approaches.

11. **MAINTENANCE:**

A. Tenant's Obligations. Tenant acknowledges by entry thereupon to accept the Premises in its "as is" condition and that the leased premises are in good and satisfactory order, repair and condition, with no work of any kind or nature to be performed by the Landlord. Tenant covenants during said term and further time as the Tenant holds any part of said premises to keep the leased premises in as good order, repair and condition (including but not limited to light bulb and ballast replacement; Premises plumbing fixtures maintenance, repair and replacement; window and door glass cleaning and replacement; door closure mechanism repair and replacement) as the same are in at the commencement of said term, or may be put in thereafter, damage by fire or unavoidable casualty and reasonable wear only excepted.

Tenant shall arrange for pest and rodent control measures at the Premises as needed (at least monthly), and shall provide evidence thereof to Landlord from time to time upon Landlord's request. Should any extraordinary pest control measures become necessary in the Building as a result of Tenant's use and occupation of the Premises, then Tenant shall be responsible for all costs incurred as a result thereof.

Tenant shall maintain a service contract which provides for routine (at least quarterly) inspection and cleaning of any grease which may accumulate in the venting/exhaust system (including fans) servicing the Premises, or on any portion of the roof, exterior walls, sewer system or other common areas which may be affected by the business conducted by Tenant at the Premises. Tenant shall provide evidence of such service contract to Landlord at the start of Lease, and thereafter from time to time upon Landlord's request.

B. Landlord's Obligation. The Landlord agrees to maintain and repair the roof, exterior walls and structure of the building, and the common areas of the building in the same condition as they are at the commencement of the term or as it may be put in during the term of this lease, reasonable wear and tear, damage by fire and other casualty only excepted. If such maintenance or repair is made necessary by fault or neglect of the Tenant or the employees, contractors, agents, or invitees of Tenant, then such maintenance or repair shall be at the sole expense of the Tenant and Tenant shall pay all costs therefor.

12. **ALTERATIONS-ADDITIONS:** Tenant shall at its expense, make all repairs, alterations and improvements, whether ordinary, extraordinary, foreseen or unforeseen, which may be required by any laws, ordinances, orders or regulations of any public authority having jurisdiction over the Premises or Tenant's use and occupation thereof, including without limitation those relating to the accessibility and usability of the entrances, accommodations, facilities and services of the Premises; provided, however, that Tenant shall not make any alterations of a structural nature without first obtaining Landlord's written consent based on drawings and specifications to be submitted to Landlord by Tenant.

13. **ASSIGNMENT-SUBLETTING:** The Tenant shall not by operation of law or otherwise, assign, mortgage or encumber this lease, or sublet or permit the demised premises or any part thereof to be used by others, without Landlord's prior express written consent in each instance, which consent shall not be unreasonably withheld. In any case where Landlord shall consent to such assignment or subletting, Tenant named herein shall remain fully liable for the obligations of Tenant hereunder, including without limitation, the obligation to pay the rent and other amounts provided under this lease. Landlord shall receive any "profit" from sublease charges over Tenant's lease expense.
14. **SUBORDINATION AND QUIET ENJOYMENT:** This lease shall be subject and subordinate to any and all mortgages, deeds of trust and other instruments in the nature of a mortgage, now or at any time hereafter, a lien or liens on the property of which the leased premises are a part and the Tenant shall, when requested, promptly execute and deliver such written instruments as shall be necessary to show the subordination of this lease to said mortgages, deeds of trust or other such instruments in the nature of a mortgage. Provided the Tenant performs all of its obligations under this lease, the Tenant shall be entitled to the quiet enjoyment of the leased premises.
15. **LANDLORD'S ACCESS:** The Landlord or agents of the Landlord may during business hours ( or at other times in event of emergency) enter the Leased premises (i) to examine the leased premises and, if Landlord shall so elect, to make any repairs or additions Landlord may deem necessary and, at Tenant's expense, to remove any alterations, additions, signs, drapes, curtains, shades, awnings, aerials or flagpoles, or the like, not consented to in writing; (ii) to show the leased premises to prospective purchasers and mortgagees, and (iii) to show the leased premises to prospective tenants during the twelve (12) months preceding the expiration of this lease. Landlord also reserves the right at any time within twelve (12) months before the expiration of this lease to affix to any suitable part of the leased premises a notice for letting or selling the leased premises or property of which the leased premises are a part and to keep the same so affixed without hindrance or molestation
16. **INDEMNIFICATION AND LIABILITY:** Tenant will defend and, except to the extent caused by the gross negligence or willful misconduct of Landlord, will indemnify Landlord and its employees, agents and management company, and save them harmless from any and all injury, loss, claim, damage, liability and expense (including reasonable attorneys' fees) in connection with the loss of life, personal injury or business, arising from, related to, or in connection with the occupancy or use by Tenant of the leased premises or any part of Landlord's property or the building, or occasioned wholly or in part by any act or omission of Tenant, its contractors, subcontractors, subtenants, invitees, licensees or concessionaires, or its or their respective agents, servants or employees while on or about the leased premises. If there should be any dispute between Tenant and Landlord arising out of this Lease or Tenant's occupancy of the Premises, the party ultimately adjudged to be the prevailing party shall be entitled to recover from the other party all of the prevailing party's costs, including reasonable attorney's fees. The provisions of this Paragraph shall survive the termination or earlier expiration of the term of this Lease.

- (a) The Tenant shall default in the payment of any installment of rent or other sum herein specified when due which default is not corrected within seven (7) days after written notice thereof; or
- (b) The Tenant shall default in the observance or performance of any other of the Tenant's covenants, agreements, or obligations hereunder and such default shall not be corrected within ten (10) days written notice thereof; or
- (c) The leasehold hereby created shall be taken upon execution, or by other process of law; or
- (d) Any assignment shall be made of Tenant's property for the benefit of creditors, or a receiver, guardian, conservator, trustee in bankruptcy or similar officer shall be appointed by a court of competent jurisdiction to take charge of all or any part of Tenant's property, or a petition is filed by Tenant under any bankruptcy, insolvency, or other debtor relief law,

then and in any of said cases (notwithstanding any license of any former breach of covenant or waiver of the benefit hereof or consent in a former instance), Landlord shall be entitled to all remedies available to Landlord at law and equity, including without limitation, the remedy of forcible entry and detainer, and Landlord lawfully may, immediately or at any time thereafter, and without demand or notice, mail a notice of termination to the Tenant, and thereafter enter into and upon the leased premises or any part thereof in the name of the whole and repossesses the same as of its former estate, and expel Tenant and those claiming through or under it and remove it or their effects without being deemed guilty of any manner of trespass, and without prejudice to any remedies which might otherwise be used for arrears of rent or preceding breach of covenant, and upon such mailing or entry as aforesaid, this lease shall terminate but all of Landlord's rights and remedies shall survive such termination; and Tenant covenants and agrees, notwithstanding any entry or reentry by Landlord, whether by summary proceedings, termination, or otherwise, that Tenant shall remain liable for and pay to Landlord the entire unpaid rental and all other balances due under this lease for the remainder of the term and such amounts may be accelerated by Landlord. In addition, Tenant agrees to pay Landlord, as damages for any above-described breach, all reasonable costs of reletting the leased premises including reasonable legal fees, customary and standard real estate commissions and the reasonable costs of renovating the Premises to suit any new Tenant.

It is expressly acknowledged and agreed that the Tenant's default of any of the terms and conditions of this Lease shall constitute a Tenant's default under the lease by and between the parties for the restaurant space. Further, that the Tenant's default of the terms and conditions of the lease by and between the parties for the restaurant space shall constitute a default of this Lease.

20. **NOTICE:** Any notice from the Landlord to the Tenant relating to the leased premises or to the occupancy thereof, shall be deemed duly served, if left at the leased premises addressed to the Tenant, or if mailed to the leased premises, registered or certified mail, return receipt requested, postage prepaid, addressed to the Tenant. Any notice from the Tenant to the Landlord relating to the leased premises or to the occupancy thereof, shall be deemed duly served, if mailed to the Landlord by registered or certified mail, return receipt requested, postage prepaid, addressed to the Landlord at Landlord's address set forth in Article 1, or at such other address as the Landlord may from time to time advise in writing.
21. **SURRENDER:** The Tenant shall at the expiration or other termination of this lease peaceably yield up the leased premises and all additions, alterations and improvements thereto in good order, repair and condition, damage by fire, unavoidable casualty, and reasonable wear and tear only excepted, first moving all goods and effects not attached to the leased premises, repairing all damage caused by such removal, and leaving the leased premises clean and tenantable. If Landlord in writing permits Tenant to leave any such goods and chattels at the leased premises, and the Tenant does so, Tenant shall have no further claims and rights in such goods and chattels as against the Landlord or those claiming by, through or under the Landlord.
22. **HAZARDOUS MATERIALS:** Tenant covenants and agrees that, with respect to any hazardous, toxic or special wastes, materials or substances including asbestos, waste oil and petroleum products (the "Hazardous Materials") which Tenant, its agent or employees, may use, handle, store or generate in the conduct of its business at the leased premises Tenant will: (i) comply with all applicable laws, ordinance and regulations which relate to the treatment, storage, transportation and handling of the Hazardous Materials; (ii) that Tenant will in no event permit or cause any disposal of Hazardous Materials in, on or about the leased premises and in particular will not deposit any Hazardous Materials in, on or about the floor or in any drainage system or in the trash containers which are customarily used for the disposal of solid waste; (iii) that Tenant will with advance notice and at all reasonable times permit Landlord or its agents or employees to enter the leased premises to inspect the same for compliance with the terms of this paragraph and will further provide upon five (5) days' notice from Landlord copies of all records which Tenant may be obligated by federal, state and/or local law to obtain and; (iv) that upon termination of this lease, Tenant will, at its expense, remove all Hazardous Materials from the leased premises which came to exist on, in or under the leased premises during the term of this lease, or any extensions thereof from the leased premises and comply with applicable state, local and federal laws as the same may be amended from time to time; and (v) Tenant further agrees to deliver the leased premises to Landlord at the termination of this lease free of all Hazardous Materials which came to exist on, in, or under the leased premises during the term of this lease or any extensions thereof. The terms used in this paragraph shall include, without limitation, all substances, materials, etc., designated by such terms under any laws, ordinance or regulations, whether federal, state or local.

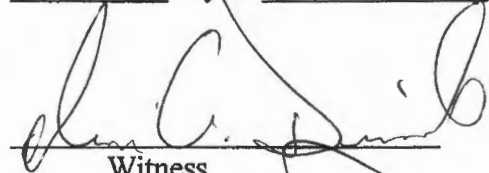

23. **LIMITATION OF LIABILITY:** Tenant agrees to look solely to Landlord's interest in the building for recovery of any judgment from Landlord it being agreed that Landlord is not personally liable for any such judgment. The provision contained in the foregoing sentence shall not limit any right that Tenant might otherwise have to obtain an injunctive relief against Landlord or Landlord's successors in interest, or any other action not involving the personal liability of Landlord.
24. **WAIVER OF RIGHTS:** No consent or waiver, express or implied, by either party to or of any breach of any covenant, condition or duty of the other, shall be construed as a consent or waiver to or of any breach of the same or other covenant, condition or duty.
25. **SUCCESSORS AND ASSIGNS:** The covenants and agreements of Landlord and Tenant shall run with the land and be binding upon and inure to the benefit of them and their respective successors and assigns, but no covenant or agreement of Landlord, express or implied, shall be binding upon any person, except for defaults occurring during such person's period of ownership nor binding individually upon any fiduciary, any shareholder or any beneficiary under any trust.
26. **HOLDOVER:** If Tenant fails to vacate the leased premises at the termination of this lease, then the terms of this lease shall be applicable during said holdover period, except for base rent, which shall be increased to three (3) times the then current base rent for the period just preceding such termination; but this provision shall not be interpreted as consent or permission by the Landlord for Tenant to holdover at the termination of this lease and terms of this holdover provision shall not preclude Landlord from recovering any other damages which it incurs as a result of Tenant's failure to vacate the leased premises at the termination of this lease.
27. **MISCELLANEOUS:** If Tenant is more than one person or party, Tenant's obligations shall be joint and several. Unless repugnant to the context, "Landlord" and "Tenant" mean the persons, natural or corporate, named above as Landlord and Tenant respectively, and their respective heirs, executors, administrators, successors and assigns. Landlord and Tenant agree that this lease shall not be recordable but each party hereto agrees, on request of the other, to execute a Memorandum of Lease in recordable form and mutually satisfactory to the parties. If any provision of this lease or its application to any person or circumstances shall to any extent be invalid or unenforceable, the remainder of this lease or the application of such provision to persons or circumstances other than those as to which it is invalid or unenforceable, shall not be affected thereby and each provision of this lease shall be valid and enforceable to the fullest extent permitted by law. The submission of this lease or a summary of some or all of its provisions for examination by Tenant does not constitute a reservation of or option for the premises or an offer to lease said premises, and this document shall become effective and binding only upon the execution and deliver hereof by both Landlord and Tenant. Employees or agents of Landlord have no authority to make or agree to make a lease or any other agreement or undertaking in connection therewith. All negotiations, considerations, representation and understandings between

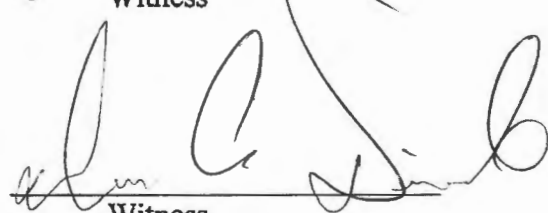

Landlord and Tenant are incorporated herein and no prior agreements or understandings, written or oral, shall be effective for any purpose. No provision of this lease may be modified or altered except by agreement in writing between Landlord and Tenant, and no act or omission of any employee or agent of Landlord shall alter, change or modify any of the provisions hereof. This lease shall be governed exclusively by the provisions hereof and by the laws of the State of Maine. The headings herein contained are for convenience only, and shall not be considered a part of this lease.

- 28. **BROKERAGE:** Tenant warrants and represents to Landlord that it has not dealt with any broker, finder or similar person concerning the lease of the leased premises, other than Commercial Properties, Inc. ("Broker") and in the event of any brokerage claims against Landlord predicated upon dealings with Tenant other than by the Broker, Tenant agrees to defend the same and indemnify Landlord against any such claim. Landlord agrees to pay the Broker its commission upon execution of this lease.
- 29. **SIGNAGE:** Tenant shall submit signage plans to Landlord for Landlord's sole approval. Signage will be at Tenant's sole cost and expense.
- 30. **PARKING:** Landlord reserves the right to designate portions of the parking areas for the exclusive use of certain tenants and to permit parties other than the tenants of the Building to use such areas, and no such designation or permission shall affect Tenant's obligation to pay Tenant's prorata share of CAM Expenses and Taxes. There is no parking associated with this Lease other than the Tenant shall be permitted the non-exclusive use of the parking area for customer parking after 5:30 pm Monday through Friday, and at any time on Saturday and Sundays.

IN WITNESS WHEREOF, the said parties hereunto have set their hands and seals this
