The annual fee is \$80.00 plus \$2.00 per square foot of dining area on streets, sidewalks or other public ways and \$80.00 plus \$6.00 per square foot of dining area in city parks. For purposes of fee calculation, the area abutting the buildings which border Monument Square and extending ten (10) feet from the facade of said buildings shall be considered a sidewalk. The ten (10) foot area shall be measured from that portion of the facade that protrudes furthest into the sidewalk. The area beyond the ten (10) foot sidewalk shall be considered park space.

Outdoor dining is permitted year round under the permit; however, furniture must be removed in inclement weather to allow for sidewalk snow removal. **The permit must be renewed each year.**

All of the following information is required and must be submitted. You will also be required to fill out an Outdoor Dining Permit Application.

A plot plan is required and must include:

- A drawing of the lot, where the building sits on the lot along with the lot and building dimensions ✓
 - The dimensional setback from the sidewalk to the building ✓
 - The location of the street, and if it's a corner lot, the intersecting streets ✓
 - The sidewalk along with its width and curbing location ✓
 - The location of the table and chair placement, including dimensions ✓
- (NOTE: there must be a minimum of four feet of open sidewalk from the outer boundary of the seating area to the curb, and a minimum of five feet on corners, and egress from the building must be maintained free of obstruction per the building code and NFPA Life Safety Code).

Additional Requirements:

- The permit holder is required to produce, at the time of submission, and maintain public liability insurance coverage in an amount of not less than four hundred thousand dollars (\$400,000) combined single limit for bodily injury, death and property damage, naming the City as an additional insured thereon.

All permits for outdoor dining are issued subject to the following conditions:

I. Purpose

It is the purpose of this regulation to establish the policy of the City and the procedures to be used for the issuance of outdoor dining permits pursuant to City Code section 25-26 et seq.

Such expansions onto city property shall be permitted on a case-by-case basis, upon application to the city and payment of a fee, in accordance with certain conditions.

It is the policy of the City that due to the high value of downtown park space, expansion of a private business into such areas shall require a higher fee than expansion into a sidewalk or other public way. Further, in no instance shall the total square footage of dining area equal more than 10% of park space, unless the applicant obtains a waiver from the Director of Parks and Recreation or his or her designee.

The following procedures are to be followed in the issuance of outdoor dining permits.

3. The permit area will be permanently delineated to ensure compliance.

B. Permit Conditions

1. There must be a minimum of four feet of open sidewalk from the outer boundary of the seating area to the curb, and a minimum of five feet on a corner, per the Americans with Disabilities Act, and egress from the building must be maintained free of obstruction

- The permit holder is responsible for keeping the outdoor seating area clean. The sidewalk area where the tables and chairs are located must be kept neat and free from litter and debris.
- No food shall be prepared outside.
- If alcohol is to be served, the permit holder must notify the City's Business Licensing Office in room 203 of City Hall or by telephone at 874-8557 and obtain approval for the service of alcohol outdoors.
