Commercial Interior & Change of Use Permit Application Checklist

All of the following information is required and must be submitted. Checking off each item as you prepare your application package will ensure your package is complete and will help to expedite the permitting process.

One (1) complete set of construction drawings must include:

Note: Construction documents for costs in excess of \$50,000.00 must be prepared by a Design Professional and bear their seal.
Cross sections w/framing details
Detail of any new walls or permanent partitions
Floor plans and elevations
Window and door schedules
Complete electrical and plumbing layout.
Mechanical drawings for any specialized equipment such as furnaces, chimneys, gas equipment,
HVAC equipment or other types of work that may require special review
Insulation R-factors of walls, ceilings, floors & U-factors of windows as per the IEEC 2009
Proof of ownership is required if it is inconsistent with the assessors records.
Reduced plans or electronic files in PDF format are required if originals are larger than 11" x 17".
Per State Fire Marshall, all new bathrooms must be ADA compliant.
Separate permits are required for internal and external plumbing, HVAC & electrical installations.
For additions less than 500 sq. ft. or that does not affect parking or traffic, a site plan exemption should be filed including:
The shape and dimension of the lot, footprint of the existing and proposed structure and the
distance from the actual property lines.
Location and dimensions of parking areas and driveways, street spaces and building frontage.
Dimensional floor plan of existing space and dimensional floor plan of proposed space.
A Minor Site Plan Review is required for any change of use between 5,000 and 10,000 sq. ft. (cumulatively

within a 3-year period)

Portland, Maine
