City Hall,

As the owner of the building with CREMA OFFEE as its tenant , I approve of the change in signage for CREMA..

Of course I need permission from the city but also from you. I want to put a sign that is identical to the sign that we have at Arabica. I am also interested in replacing the banner that is over the big window with something similar to what I have attached to this email. Let me know your thoughts and Happy Spring!
