Attached is the revised application with the name/address change.

And yes I think it will need to receive historic approval but not sure if it will need staff (\$100) or admin (\$50) review.

We typically pay that fee when we submit to Historic.

Susan,

There appears to be problems in the application. Can you please review?

Our company is Fleming Portland LLC

Our address is 42 market street, as is my address.

I think this requires historic review doesn't it?
