Scope of Work: Starbucks

Deblois Electric will be adding fire alarm devices as needed for fit up of new Starbucks located at 145 Commercial St. The building is also known as the Evie Cianchette Building.

There is an existing Notifier addressable system (AFP 200) in the building which will be expanded to include the new devices in the Starbucks space.

The building currently reports via a master box connection.

Norris Inc. is providing fire alarm equipment, submittal documents, fire alarm permits, final connections and testing per City of Portland requirements.
