Permitting Approval in Historic Districts

If a project is located within a historic district or is an individually designated historic structure, it is required to receive approval before proceeding with any exterior alteration, construction activity or site work that will be visible from a public way. Following is a list of activities requiring review.

all those activities that apply to your proposed project.

Exterior Repair

Window and door replacement, including storms/screens

Removal and/or replacement of architectural detailing (for example porch spindles and columns, railings, window moldings, and cornices)

Porch replacement or construction of new porches

Installation or replacement of siding

Masonry work, including repointing, sandblasting, chemical cleaning, painting where the masonry has never been painted, or conversely, removal of paint where the masonry historically has been painted

Installation or replacement of either roofing or gutters when they are a significant and integral feature of the structure

Alteration of accessory structures such as garages

Additions and New Construction

New Construction

Building additions, including rooftop additions, dormers or decks

Construction of accessory structures

Installation of exterior access stairs or fire escapes

Installation of antennas and satellite receiving dishes

Installation of solar collectors

Rooftop mechanicals

Signage and Exterior Utilities

Installation or alteration of any exterior sign, awning, or related lighting

Exterior lighting where proposed in conjunction with commercial and institutional signage or awnings

Exterior utilities, including mechanical, plumbing, and electrical, where placed on or near clearly visible facades

Site Alterations

Installation or modification of site features other than vegetation, including fencing, retaining walls, driveways, paving, and re-grading

Moving and Demolition

Moving of structures or objects on the same site or to another site

Any demolition or relocation of a landmark contributing and/or contributing structure within a historic district

Note: Your project may also require a building permit. Please call Building Inspections (874-8703) to make this determination.

INSTRUCTIONS

In your application, please submit the following items, *as applicable to your project*.
That the information you provide the Historic Preservation Board and staff is the only
you will have of your project or design. Therefore, it should precisely illustrate the proposed

Approved for Historic Preservation
Certificate of Appropriateness

07/13/17

Date: _____ or photographs (required for all applications.) Include general streetscape view, view of entire
_____ & close-ups of affected area.

Sketches or elevation drawings at a minimum 1/4" scale. Please label relevant dimensions. All plans shall be submitted in 11" x 17" format except for major projects, where 22" x 34" plans are requested. Applicants for major projects should submit one (1) 11" x 17" copy for scanning purposes.

_____ Details or wall sections, where applicable.

_____ Floor plans, where applicable.

_____ Site plan showing relative location of adjoining structures.

_____ Catalog cuts or product information (e.g. proposed windows, doors, lighting fixtures, fencing)

_____ Materials - list all visible exterior materials. Samples are helpful.

_____ Other(explain) _____

If you have any questions or need assistance in completing this form, please contact Historic Preservation staff:
