Ann

Here are pictures of that fence on 12 Portland Pier.

Contact is Patrick at 772-6565.

Thank you

Sandy

The fence is not on a public way but between to private lots and is completely on our property. It is slightly visible from the public road as you can see from the last photo. The barbed wire is only on the top and is about 8' high from ground level. We angled the last section to discourage people from dangerously trying to get around the fence over the boat slip area. Please let us know if you have further questions.
