Patrick -

I am the Zoning Administrator fro the City. Thanks for contacting Sandy Driscoll and alerting her to the fact that the fence does have barbed wire on the top. I just had to confirm from Public Works that the area between the property at 12 Portland Pier and 100 Commercial Street is privately owned. I received that confirmation this morning. Section 25-1 only prohibits barbed wire along "the line of any such street, ways or public places", so since the area is private, barbed wire is not prohibited.

Please let me know if you have any questions.
