RE: Luke's Lobster

Per your request, let this letter serve as our certification for completion of the installation on a 6-gallon Range Guard Wet chemical fire suppression systems for **Luke's Lobster** located at 60 Portland Pier, in Portland, Maine 04101.

Puff test performed has passed and system armed.

Installation of the system was done in accordance with NFPA 96 Standards and meets UL 300 guidelines.

This system is setup for bi-annual inspection: **April and October.**

If you have any further questions or require additional information, Please feel free to call 207-784-7525.

Sincerely,

  
Eileen Lord  
Associate
