

Owner: Solely Wharf LLC  
Tenant: Morris Rees Inc., dba Consumer Title  
Location: 100 Commercial Street, Suite 108

Installation Method and Media

Tenant proposes to replace existing building signage, with dimension of 36" x 30", with a new aluminum face matching existing dimensions (representative drawing attached). The sign will utilize lettering a sheet of .063" aluminum and there will be no illumination with the updated sign. Installation of the new faces would entail removing the side extrusion of the sign cabinet, sliding the old sign faces out and then sliding the new faces in the extrusion and then reinstalling the side extrusion. The sign will not be relocated or moved from the existing location.
