Good Afternoon Mike

I am processing your amendment for 2016-00956. Is the cost of work changing from \$35,000 to more?

Thank you for your attention to this matter.

Sandy

Attached is the revised permit application and drawings to amend the permit we received for the work at 68 Commercial Street(fish store). The only work that has changed is the work being done on the exterior of the building. Rather than residing a portion of the building, we are going to reside the entire section of this building. If there are any questions or concerns please reach out to me through this email or here at our office 772-6022.

Thanks,
