RE: Boone's Fish House

Per your request, let this letter serve as our certificate for compliance of re-install on a tandem 6-gallon Range Guard wet chemical fire suppression system re-installed for Boone's Fish House, located at 86 Commercial Street in Portland, Maine.

Re-installation of the system was done in accordance with NFPA Standards and meets UL 300 Codes.

System passed puff test.

Boone's Fish House is set up for automatic bi-annual inspections: **April and October.**

If you have any further questions or require additional information, please feel free to call at 800-538-FIRE (3473).

Sincerely,

Eileen Lord
Office Manager
