Inspections Division
Approved with Conditions

FSP12436

Date: 05/31/16

136 COMMERCIAL STREET PHASE 1

Located at: 136 COMMERCIAL ST
In the Town of: PORTLAND
Occupancy/Use: Business
Type of System: NFPA 13
Add'l Requirements: Phase 1 only, permits will be required for future phases

Permission is hereby given to:

SPRINKLER SYSTEMS, INC.
Contractor License # FSC93

to begin installation according to plans submittal approved by the Office of State Fire Marshal. No departure from the application submittal shall be made without prior approval in writing. This permit is issued under the provisions of Title 32, Chapter 20, Section 1337. Nothing herein shall excuse the holder of this permit from failure to comply with local ordinances, zoning laws, or other pertinent legal restrictions. This permit shall be displayed at the construction site or be made readily available.

Permit issued 5/04/2016

Permit expires at midnight on 11/03/2016

The expiration date applies only if the installation has not begun by that date and no permission has been granted to extend the date. Once installation begins, then the permit is valid as long as work is continuous.

Handwritten signature of John E. Morris

John E. Morris
Commissioner

The type of Fire Department Connection and its location is to be according to the Local Fire Department.

Within 30 days of the completion of a new fire sprinkler system or an addition to an existing fire sprinkler system, a sprinkler system contractor shall provide to the commissioner a copy of the permit signed by the certified responsible managing supervisor representing that the fire sprinkler system has been installed according to specifications of the approved plan.
