Dear Ms. Brown,

Health inspections of your establishment were made on October 24, 2000 and November 2, 2000.

Attached is a copy of the inspection reports that indicates that the sanitary condition of your establishment at the time of the inspections was found to be unsatisfactory. The scores were 78 and 64. The minimum marginal passing score is 79.

This office recommends that you voluntarily cease operations until corrections can be made and a satisfactory reinspection occurs and all operations comply with the standards set forth in Chapter 11 of the City's Ordinance.

If you fail to voluntarily close, our office will refer the matter to the City's Corporation Council to seek suspension of the license pending revocation hearing pursuant to Chapter 15 of the City Code.

Please feel free to contact me at 874-8715, if you wish to discuss the matter or if you have any questions regarding this report.

Sincerely,

Jeanine Bourke
Code Enforcement Officer
