Re: Central Wharf (Chandler's Wharf)

Dear Sir:

An inspection of your project was made on 7/3/85 to verify the 5'0" setback requirement as per the City Ordinance, and the survey by Owen Haskell, Inc. dated 4/29/85.

It is of my opinion after taking measurements that you are in compliance of the 5'0" requirement.

If I can be of any future assistance please call.

Sincerely,

P. Samuel Hoffses  
Chief of Inspection Services
