Withdrawal, Transfer, and Incomplete Grades

All attempted coursework appears on the transcript. Students may withdraw up until the published deadline of a semester. Transfer work must be taken at a regionally accredited institution and earn a minimum grade of "C". An incomplete grade becomes an "F" at the midpoint of the subsequent fall or spring semester.

Grade Point Average (GPA) Calculation

Each course is assigned a point value by multiplying the number of course credits by the weight of the grade received. These point values are added up and are reflected in Quality Points (QPTS), while the total number of credits is reflected in the GPA HRS or QHRS. The total Quality Points are then divided by the total GPA HRS or QHRS to determine the GPA. Course grades with an asterisk are not factored into the GPA. Transfer credit is not factored into the GPA.
