Lt. Wallace,

As discussed this afternoon if you could "reply to all" on this email with your approval for attached Action Plan I can get the ball rolling with the owner for Phase I. If you have any questions please give me a call. Thank you in advance.

Lt. Wallace,

I'm still waiting for the 305 Commercial Street Action Plan but have another one for your review and approval. Please see attached. If acceptable please let me know and I will start Phase I. Additionally, any modifications to the plan that may be required please also let me know so that I may inform the owner.

If you have any questions please give me a call. Thank you in advance.
