Dear Paul,

Pursuant to our discussion, this office authorizes the commencement of the site work and demolition as shown on page C-102 and interior demolition as shown on pages AD-101 and A-102 of the technical submissions dated 7/13/01. Prior to commencement of any electrical demo, please have your electrician contact Michael Collins, Electrical Inspector at 874-8694.

Sincerely,

Mike Nugent
Manager of Inspection Services
