Dear Sir/Madam:

Health inspections of your establishment was made on October 12 & 22, 1999.

The results (scores of 68 & 72) indicate the sanitary condition of your establishment at the time of inspection was found to be unsatisfactory. After the second unsatisfactory, you voluntarily closed the establishment until a satisfactory inspection occurred later on the 22nd.

The next inspection of your establishment will be carried out within 30 days, at which time I require that all operational and maintenance practices comply with the standards set forth in Chapter 11 of the City's Ordinance. If, upon re-inspection your establishment is graded unsatisfactory, the matter will be referred to the City's Corporation Counsel for action pursuant to Section 15.8 of the License Ordinance. Action may include license suspension or revocation and possible civil penalties pursuant to Section 1-15.

If you have any questions regarding this report, please do not hesitate to contact this office.

Sincerely,

Arthur Rowe
