Please do not proceed with my building permit request. We are no longer interested in this location on Fore St. Thank you.

Shawn,

Could you please provide us with a readable plan. The dimensions cannot be read from this plan. A hand-drawn plan may be better. We also need the location of where this work is being done. Thanks!

What would you like me to submit, actual building plans of countertop?

If not, would just a hand drawing suffice?

It will be 3 ft wide and 16 feet long with two drop in pans for cold and dry toppings.
Built from wood nothing else.

Let me know. Thanks

Shawn, technically this is not a change of use. It looks like the only reason why you would need a permit would be the construction of the counter top. That being the case, this is insufficient because you have not provided any plans on the structure (how is it being built.)

Hello

Here are the forms.

There is little new construction as this space was Orange Leaf Frozen Yogurt and will now become sweetFrog Frozen Yogurt. Please let me know if I need to do anything else. Thank you.
