RE: *SIGNAGE PERMIT APPLICATION*

Dear Anne Machado:

Enclosed, please find a completed signage permit application and fees for proposed signage at my new office location. If possible, we would greatly appreciate your expediting approval for this sign. We would like to install this sign on our office building before the Mexican Consul visits our office on May 31, 2013. We have a tentative sign installation date set for May 29, 2013.

Should you have any questions, please do not hesitate to contact my office.

Sincerely,

SAVATTERI LAW FIRM, P.C.
