Approved by zoning:

Permit #2014-01240, issued 6/17/14, approved the use of the space for retail. A Certificate of Occupancy was issued 8/18/14. Blake Orchard may continue using the space for retail purposes without a change of use, however, they are limited to 9 or fewer customer seats under the zoning ordinance. If the number of seats will be increased to 10 or more, a change of use permit will be required.
