Projecting Sign:

52" w x 33" h (11.9sqft)
High Density Urethane V-carved with gold leaf
Bracket Attached to granite using existing holes and masonry style anchors
Lit from 2 lights mounted to bracket
Electricity run under granite overhang into bracket

Awnings:

56" w x 44" h (8" Valance Included)
36" Deep
Awnings only mounted to wood frame

RE: Certificate of Flammability:

Awning fabric company will not issue certificate of flammability until after the fabric is purchased.
We can provide certificate upon permit pickup. I believe this option was discussed over the phone with Marge in the Zoning Dept.
