Dear Q & L Corporation:

Your license is being renewed on the condition that by June 1st 2011 you will install a fully assessable and conveniently located hand sink in the main floor cooking area of the Oriental Table food Service operation.

The Maine State Food code section 5-203.11 requires at least on hand washing lavatory, necessary for the convenient use by employees as specified under 5-204.1

This new plumbing fixture will require a permit. Please do not hesitate to call the inspection department at 874-8703 and request guidance regarding the proper location of said sink. Your establishment is scheduled for a June 2011 inspection to verify compliance.

Sincerely,

Suzanne Hunt @ (207) 874-8707
Food Service Inspector City of Portland
