Thank you Ann.

Due to us moving our primary entrance, I have decided not to use an awning at this time. We will move forward with our sign plans and will resubmit an application when I decide what to use in place of our awning.

thanks,
Ken

Are you saying that you are not going to have an awning? I just need you to confirm this in an email. I have signed off on the sign for zoning. It still needs to be reviewed by a building code plan reviewer.

Hello Ann,

I just wanted to follow up and see if you have everything that you need. I have decided not to utilize my awning, but I do still want my sign hung. Do you have all the info that you need?

thanks
Ken

Matt, I have cc'd Ann Machado in this email. She is requesting the cert. of insurance for the city of Portland.

Thanks,
Ken

Hey Ken

Can you forward me the contact info of who is asking of this again? Not bothering me at all, not your fault! Clearly something they are not receiving at the City of Portland so I want to get to the bottom of it so they stop hounding us for the same thing time and time again.

Thanks

hello Matt,
sorry to bother you with this again, but the city continues to ask for "additionally insured certificate". I have not been saving the email for this, but I will moving forward. could you please resend this for me?

thanks
Ken
