Thank you for checking in. I am going to move forward with the original seating plan that I submitted. I may follow up, at a later date, to increase my area to what the city allows.

I believe you still need my application signed off on, is that correct?

Thank you for your assistance,
Ken Bell

Has anything been done regarding this Outside Dining permit?

It is still on hold and nothing is being done with it until we get the information on actual seating area.

Hello,

I have had trouble with the permit application. Please verify receipt via email or phone.

Thank you,
